Device reset date

Device reset date

You can reset your device list starting July 28, 2024.

At the start of your new membership year, you'll be presented with the option to remove listed devices from your account and restore the available device count.

[Learn more](#) >

Code-level support

2 TSIs available until July 28, 2024.

Included with your membership are two Technical Support Incidents (TSIs), which can be used during your membership year to request code-level support for Apple frameworks, APIs, and tools from an Apple Developer Technical Support Engineer. You'll receive two new TSIs when you renew your membership. Additional TSIs are available for purchase at any time.

For information on purchasing and redeeming TSIs, visit the [support page](#).
